Subject: Notes on San Jac Tiger Team Mtg 2/20/14
Date: Thursday, February 20, 2014 4:40:34 PM

Purpose of the Tiger Team is an internal sounding board (Cindy).

Goals: Make sure Ext Affairs & EJ are on the same page as the program; how to deal with the community; how to deal with elected officials (Carlos).

Also goal/purpose is to introduce alternative communication methods (Cindy).

Let Tiger Team know about upcoming meetings.

Do elected official briefings in March or in the next few weeks (as per Carlos).

Do face to face briefings with elected officials at least 1st time; may consider (discuss with officials during initial briefings) doing e-briefings in future (as per Carlos).

Send community drafts to Tiger Team for review prior to publishing.

Donn will contact the elected officials & set up meetings. (he will coordinate with Carmen Assunto [6XA-CE] to get list of Reps & Mayors and Austin); communication with elected officials will come from our shop.

Agatha – no EJ issues/complaints.

San Jacinto site was previously in Poe & Green's districts, but now it is in Stockman's district following redistricting

Rep Smith just contacted TCEQ concerning the site, and TCEQ responded.
